Ministry experience has been varied throughout the years since graduation from Seminary in 2002. I have worked with women, as a House Coordinator, dealing with mental illness and drug addiction. churches in the Dayton Area over the span of seven years was a time when used by God, I was able to engage in regular discipleship through preaching, teaching and pastoral counseling.

Presently, I am employed by Indiana Wesleyan University and recruiting students to pursue their education. I spend my time coaching and assisting persons in preparing for their degree programs, while also serving Redeemer Church as the interim pastor.

Hobbies include playing with nieces and nephews, singing, reading, sports and cheering for the Buckeyes, OU Bobcats and the IWU Wildcats.

My personal testimony —
“Having grown up in a Christian household, amongst the people of God, I came to know the Lord at an early age. I can honestly say that I do not remember a time in my life that I did not know of the amazing grace of God: not due to anything in and of myself, but simply because of His faithfulness and goodness and the authentic witness of godly parents. I did spend some time searching and questioning His ways as a young adult but have found that, ‘all that thrills my soul is Jesus’. He was and continues to be the source of truth, joy, peace and love. I pray that all may know the love of God and the intimacy of relationship with Him.”
